

PICKED AT THEIR PEAK.

2026 Availability Calendar

All Natural Wow!®

Showcase Varieties

Cotton Candy™ PLU 3093

These crisp, all-natural grapes vary in color from golden yellow to bright green and taste just like that famous pink spun sugar treat. And we guarantee – no sticky fingers!

Moon Drops® PLU 3094

These luscious black grapes may look like they come from another planet, but the all-natural, crisp Moon Drops have a sweet taste that is simply out of this world.

gum drops® PLU 3907

Don't let their size fool you; these crisp, all-natural grapes deliver a big-time candy-sweet flavor. It's the healthy gummylicious snack—so eat as many as you like!

Tear Drops® PLU 3906

These crisp, uniquely shaped grapes are gushing with natural sweetness. They are a one-of-a-kind grape that makes snack time fun – and leaves you crying for more.

Limited Varieties

PLU 3901

PLU 3905

Our Limited premium grapes are hand-selected—nurtured from bud to fruit, and then harvested only when they reach the peak of flavor. Every bunch is nature at its sweetest.

Availability times are approximate and will vary.

THE TIME IS RIPE.

Mid July - Mid August

Mid August - Early September

September

Late September - Late October

VALUE PROPOSITION

Premium table grapes from Graperly have a world class flavor no other brand can match. That amazing flavor is just one reason why our brand will strengthen your store's brand value, increase store traffic and build your profitability.

In fact, Graperly's expanding, broad range of unique and innovative flavors are generating more buzz than ever. The ongoing national and international publicity extends beyond traditional media outlets to social media and blogs too. That exposure, coupled with Graperly's direct engagement with consumers, leads to even more excitement in the industry and especially among shoppers.

At Graperly, we are also committed to providing you with attention-getting merchandising support to increase both trial and repeat purchases. And Graperly's unparalleled Continuous Innovation Loop leverages every communications platform available so we can listen to you as well as your customers and respond with even better grapes and exceptional service in the future.
